"CRACKER" JACK SEZ:

"Business is what you make it. All the people that we have ever met want some kind of a plant to soften the rigid lines of their homes. All they need is the incentive to buy. We provide the ingredients — (rooted cuttings and small plants). You mold them into a salable product. The rest is a matter of salesmanship."

LOOK ON THE REVERSE SIDE.

IF WE LIST IT, YOU MAY BE SURE THAT IT IS GOOD.

NOW IS THE TIME TO ORDER.
